

Gelato Da Vinci

Brilliant Italian Ice Cream Espresso & Cappuccino

Gelato Da Vinci is proud to introduce artisan Gelato and Sorbet made on site from a 4th generation authentic Tuscan recipe. Made in the traditional way in small batches.

Gelato, (jel lot' toe) - A frozen Italian specialty made from fresh milk, fresh cream, sugar, and all natural flavors. Our gelato contains no chemical preservatives, emulsifiers, or stabilizers. A low air content, half that of American ice cream, produces a dense, velvety consistency.

Nutritional information for 4 ounces of GELATO:

Calories = 140 to 170

Calories from fat = 90 to 110

Total fat = 7%

Saturated fat = 7 grams = 38%

Cholesterol = 45 milligrams = 15%

Sodium = 90 milligrams = 4%

Total Carbohydrates = 23 to 29 grams = 8% to 10%

Sugars - 21 to 24 grams

Sorbet, (sor bay') - A frozen Italian specialty made from fresh fruit or flavors from fresh fruit, a small amount of sugar and water. Our sorbet contains no chemical preservatives, emulsifiers, or stabilizers. It is fat-free and cholesterol free.

Nutritional information for 4 ounces of SORBET:
